### STATEMENT BY THE SINGAPORE SOCIAL FUND BOARD

for the financial year ended 31 March 2020

In the opinion of The Singapore Social Fund Board,

- (a) the accompanying financial statements are drawn up in accordance with the provisions of the Salvation Army Ordinance (Chapter 377), Charities Act (Chapter 37) and other relevant regulations and the Charities Accounting Standard so as to give a true and fair view of the financial position of The Salvation Army, Singapore Social Fund (the "Fund") as at 31 March 2020 and the results and cash flows of the Fund for the financial year then ended; and
- (b) at the date of this statement there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they fall due.

The Singapore Social Fund Board approved and authorised the issue of these financial statements.

On behalf of The Singapore Social Fund Board

Lee Chee Yong Chairman

Koh Guek Eng Treasurer

### INDEPENDENT AUDITOR'S REPORT TO THE SINGAPORE SOCIAL FUND BOARD OF THE SALVATION ARMY, SINGAPORE SOCIAL FUND

Page 1 of 4

### Report on the Audit of the Financial Statements

### Opinion

We have audited the financial statements of The Salvation Army, Singapore Social Fund (the "Fund"), which comprise the statement of financial position as at 31 March 2020, the statement of financial activities and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Salvation Army Ordinance (Chapter 377), Charities Act (Chapter 37) (the "Act") and other relevant regulations (the "Charities Act and Regulations") and the Charities Accounting Standard ("CAS") so as to give a true and fair view of the financial position of the Fund as at 31 March 2020 and of the results and cash flows of the Fund for the year ended on that date.

### Basis of Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Independence

We are independent of the The Salvation Army, Singapore in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code.

### Other Information

The Singapore Social Fund Board is responsible for the other information. The other information comprises the information included in the Statement by The Singapore Social Fund Board and annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

### Other Information (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of The Singapore Social Fund Board for the Financial Statements

The Singapore Social Fund Board is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and CAS, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, the Singapore Social Fund Board is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless The Singapore Social Fund Board intends to cease operations, or has no realistic alternative but to do so.

The Singapore Social Fund Board's responsibilities include overseeing the Fund's financial reporting process.

The Singapore Social Fund Board is also responsible for ensuring that the 30% cap in regulation 15 of the Charities (Institutions of a Public Character) Regulations has not been exceeded.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### Auditor's Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with SSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
  resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional
  omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Singapore Social Fund Board.
- Conclude on the appropriateness of the Singapore Social Fund Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Singapore Social Fund Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Fund have been properly kept in accordance with the provisions of the Act.

During the course of our audit, nothing has come to our attention to cause us to believe that during the financial year:

- (a) The use of the donation monies was not in accordance with the objectives of the Fund as required under regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (b) The Fund has not complied with the requirements of regulation 15 of the Charities (Institutions of a Public Character) Regulations.

### NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2020

### 1. General information

The Salvation Army, Singapore (the "Organisation") was constituted as a corporation in Singapore under the Statutes of the Republic of Singapore, Salvation Army Ordinance (Chapter 377). The Organisation is registered as an exempt charity under the Charities Act (Chapter 37) and domiciled in Singapore. The registered address of the Organisation is at 20 Bishan Street 22, Singapore 579768.

The Salvation Army, Singapore is organised for administrative purposes into two units, which are described below:

### (i) General Fund, Singapore

The General Fund deals mainly with the activities for generating funds, Christian education and activities and all headquarters matters not specifically included in Social Fund, which includes undertaking the functions of an owner of property and deals with all transactions relating to the properties owned by the Organisation.

### (ii) Social Fund, Singapore

The Social Fund deals with the social operations of the Organisation which has been conferred the Institution of Public Character status. Accordingly, qualifying donors are granted tax deduction for donations made by them to the Social Fund.

The Social Fund (the "Fund") operates or provides:

- nursing home;
- residential homes for children and young people at risk;
- ministries to troubled young people;
- day care centre for the elderly:
- food for families:
- counselling services;
- prison support services;
- fostering agency services;
- outreach programme for male migrant workers; and
- residential care programme for foreign domestic workers in distress.

There have been no significant changes in the nature of the Fund's activities during the year.

The financial statements of the Fund for the current financial year were approved and authorised for issue by the Singapore Social Fund Board on the date of the Statement by the Singapore Social Fund Board.

### 2. Summary of significant accounting policies

### 2.1 Basis of preparation

The financial statements of the Fund have been prepared in accordance with the Singapore Charities Accounting Standard ("CAS"). The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Singapore dollars ("S\$" or "SGD"), and all values in the financial information disclosed therein are presented in units, unless otherwise stated.

### NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2020

### 2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year.

### 2.3 Income recognition

Income is recognised in the Statement of Financial Activities when:

- the Fund becomes entitled to the income;
- the Territorial Management Board is virtually certain that the Fund will receive the income; and
- the monetary value can be measured with sufficient reliability.

### Income from generated funds

### a) Voluntary income

The Fund's voluntary income comprises cash donations, and donations-in-kind:

- Cash donations are recognised when the Fund has an unconditional entitlement to the receipts;
- Donations-in-kind are recognised when such donation can be estimated with sufficient reliability and are based on a reasonable estimate of their value to the Fund, which approximates the open market value for similar items; and

### b) Activities for generating funds

This is mainly made up of fundraising income and rental fees:

- Fundraising income relates to proceeds from fundraising events held by the Organisation and Fund and is recognised on cash basis; and
- Rental fees are recognised on a straight-line basis over the period of the lease.

### c) Investment income

The Fund's investment income refers to interest income allocated to the Fund by the Organisation. Investment income is recognised by the Organisation when receivable.

### Income from charitable activities

### a) Programme fees

These are programme fees for the provision of services by the Fund to beneficiaries.

### b) Funding from government

Government subventions are recognised where there is reasonable assurance that the subventions will be received and all attaching conditions will be complied with.

### NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2020

### c) Community Chest Funding

Community Chest Funding is funding received to support the Fund for the provision of social service programme (namely, the Prison Support Services – Kids In Play) to help children with special needs. The funding is recognised when it is received and ring-fenced as restricted funds.

### d) Sundry revenue

Sundry revenue is mainly made up of other income that the Fund is unable to analyse under the main income categories.

### Other income

This income mainly comprises government grants under the Jobs Support Scheme, and the Wage Credit and Special Employment Credit Schemes. Government grants are recognised where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with.

### 2.4 Expenditures

All expenditures are accounted for on an accrual basis and have been classified under headings that aggregate all costs related to that activity.

### Costs of generating funds

These are costs associated with generating income from all sources other than from undertaking charitable activities. The cost in this category comprises cost on generating voluntary income, cost of fundraising events and investment management cost.

### Costs of charitable activities

Costs of charitable activities comprise all costs incurred by the Fund in providing residential care, healthcare and community services including direct manpower costs, property maintenance costs, operating and administrative costs.

### Governance costs

Governance costs comprise all costs attributable to the general running of the Fund in providing the governance infrastructure and in ensuring public accountability.

### 2.5 Employee benefits

### Defined contribution plan

The Organisation makes contributions to the Central Provident Fund Scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

### NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2020

### 2.6 Plant and equipment

All items of plant and equipment are initially recorded at cost. Cost includes its purchase price and any cost that is directly attributable to bring the asset to the location and condition necessary for it to be capable of operating in the manner intended by the Fund.

The cost of an item of plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Fund and the cost of the item can be measured reliably. The Fund's policy is to capitalise assets that cost more than S\$10.000.

Repair, maintenance and renovation costs for properties not owned by the Organisation are charged to the statement of financial activities as incurred.

Plant and equipment are subsequently measured at cost less accumulated depreciation and are depreciated using straight-line method to write-off the cost of the assets over their estimated useful lives as follows:

Motor vehicles

5 years

Equipment and software

- 5 years

The estimated useful life, depreciation method and residual values are reviewed periodically, at least annually, and adjusted prospectively, if there is a change in estimate.

Fully depreciated assets are retained in the financial statements until they are no longer in use.

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on de-recognition of the asset is included in the statement of financial activities in the year the asset is derecognised.

### Assets under construction

Assets under construction are reclassified to the appropriate category of plant and equipment when completed and ready for use. An asset under construction is not depreciated as the asset is not yet available for use.

### 2.7 Trade and other receivables

Trade and other receivables excluding prepayments are initially recognised at their transaction price, excluding transaction costs, if any. Transaction costs are recognised as expenditures in the statement of financial activities as incurred. Prepayments are initially recognised at the amount paid in advance for the economic resources expected to be received in the future.

After initial recognition, trade and other receivables excluding prepayments are measured at cost less any accumulated impairment losses. Prepayments are measured at the amount paid less the economic resources received or consumed during the financial year.

### 2.8 Cash

Cash comprises cash on hand and at bank, demand deposits and short-term deposits which are subject to an insignificant risk of changes in value. For the purpose of statement of cash flows, cash excludes restricted cash.

### NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2020

### 2.9 Trade and other payables

Trade and other payables excluding accruals are recognised at their transaction price, excluding transaction costs, if any, both at initial recognition and at subsequent measurement. Transaction costs are recognised as expenditures in the statement of financial activities as incurred. Accruals are recognised at the best estimate of amount payable.

### 2.10 Funds and reserves

a) Capital contribution funds

These represent funds set up to meet costs relating to property, plant and equipment.

b) Designated funds

These are funds specifically set aside to meet operational plans or anticipated needs of the Fund.

c) Restricted funds

These are donations and grants held for restricted purposes as specified by the donors or grantors.

d) Unrestricted funds

This is for the working capital of the Fund.

### 2.11 Taxes

### Goods and services tax ("GST")

Income, expenditures and assets are recognised net of the amount of GST except:

- Where the GST incurred on a purchase of goods or services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the financial position.

### 2.12 Leases

### As lessee

Operating lease payments are recognised as an expense in the statement of financial activities on a straight-line basis over the lease term. The aggregate benefit of incentive provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

### NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 March 2020

### 2.13 Provisions

Provisions are recognised only when a present obligation (legal or constructive) exists as a result of a past event, it is probable that a transfer of economic benefits in settlement will be required, and the amount of the obligation can be estimated reliably.

The provision in the Fund's statement of financial position refers to estimated liability for unconsumed leave. Employee entitlements to annual leave are recognised as a liability when they accrue to the employees. The estimated liability for leave is recognised for services rendered by employees up to the end of the reporting period.

### 3. Significant accounting judgments and estimates

The preparation of the Fund's financial statements in conformity with CAS requires the Singapore Social Fund Board to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of income, expenditures, assets and liabilities. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in future periods. The Singapore Social Fund Board is of the opinion that there are no significant accounting judgments made in applying accounting policies and no estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial period.

### 4. Tax-deductible donation receipts

The Organisation enjoys concessionary tax treatment whereby qualifying donors are granted tax deductions for the donations made to the Organisation. This status is effective for the period from 1 July 2016 to 30 June 2019 under the Institutions of a Public Character Scheme ("IPC"). This status has been renewed for an additional three years to 30 June 2022.

There were no fund-raising appeals held by the Organisation for the Fund with gross receipts exceeding S\$1 million in the current and previous financial years.

Included in the donation income recognised in the statement of financial activities is the following amount of tax-deductible donation receipts:

	<u>2020</u> S\$	<u>2019</u> S\$
Total value of tax-deductible donation receipts issued	4,964,837	7,321,568

### 24. Subsequent events

Subsequent to the reporting date, in response to the outbreak of the infectious disease 2019 Novel Coronavirus ("Covid-19"), the Singapore government imposed a partial lockdown known as the Circuit Breaker from 7 April 2020 to 1 June 2020. The Circuit Breaker involved the suspension of operations for all non-essential businesses at their physical premises, and prohibited non-essential movements. For the Fund, its residential homes continued to operate as they are deemed to provide essential services.

The spread of Covid-19 has created a high level of uncertainty to the near-term global economic prospects and caused disruptions to various businesses. The Fund is taking precautionary measures to deal with the Covid-19 outbreak in accordance with guidelines provided by the authorities. The Covid-19 outbreak is expected to have a negative impact on the Fund's operating results, the extent of which will depend on how long the outbreak lasts. The Singapore Social Fund Board is proactively managing the Fund's operations, maintaining vigilance and will take necessary actions to ensure its long-term sustainability.
