

## Welcome to The Salvation Army Corps

We are glad that you have come to join us in worship today. We pray that you will sense something of the love of God here as you spend this time with us. Part of our mission is to be a community church for you and your family.

### Hope

In Jesus we have found a new reason to live, and we want everyone to experience God's goodness.

### Community

We provide a setting where you can make friends, feel encouraged, and talk about everyday life issues. We help people to be the best person they can be. In this way, we help make our community a great place to live.

### Christian

We follow the way of life that Jesus taught. We learn what the Bible says for our lives today and we listen to what the Holy Spirit is saying to us.

### Church

We do not know what your church experience (if any) has been before, but we want you to feel relaxed and encouraged as you share with us today. We hope you will want to come back too.

Please give us some of your personal details so that somebody can contact you and help and encourage you. Drop this slip into the offering bag or give it to one of the ushers at the door on your way out. Thank you, we look forward to seeing you again.

*Celebrating God's Love*

## Celebrating God's Love

Salvation Army Corps is a vibrant expression of the Christian faith where people come together in our churches with a genuine passion to develop their relationship with God and share the gospel with others.

Congregations come together to worship, pray and gain a better understanding of God's plan through Bible teaching, personal experience, music and fellowship. Whether through children's ministries, men's and women's fellowships, youth fellowships, cell groups, home league or coffee fellowships for retirees, each corps offers something for everybody of all ages. We wish to witness God's love in this diverse community.

An essential element of all corps is involvement in the community. Whether through befriending, tuition, spiritual and emotional support, visitation or the distribution of goods, we try to reach out to those in need.

Within Singapore, there are currently six corps which hold worship services in English, Mandarin and Tamil.
