SINGAPORE SOCIAL FUND BOARD

MESSAGE FROM OUR CHAIRMAN

The Salvation Army Headquarters @ Bishan

As The Salvation Army undergoes a period of transformation to meet the evolving needs of the vulnerable in Singapore, we are guided by our commitment to love beyond—to reach further, respond faster, and nurture deeper connections within the communities we serve. At the heart of this shift is our belief in loving beyond—to extend kindness, foster resilience, and create spaces where individuals and families can heal, grow, and thrive together.

Recognizing the importance of nurturing the next generation, our focus on youth mental health is a critical aspect of our evolving mission. Today's youth face unprecedented challenges, and we are committed to providing comprehensive support systems that address their mental well-being while also promoting family involvement. By encouraging parents and caregivers to engage in the journey of recovery and growth, we help create a supportive environment that fosters confidence, resilience, and stronger family bonds.

Our Prison Support Services programme exemplifies our dedication to transformative, family-centered care. With our Kids In Play (KIP) programme, ex-offenders are offered the opportunity to bond with their family with the hope of reconciliation and healing. With critical aftercare services, including job matching, transportation, and counselling, we aim to foster stability and strengthen family ties, recognising that every step toward reintegration is a step toward stronger families and a more cohesive society.

Balancing technology with the human touch is central to our efforts to love beyond. While technological advancements enhance our service delivery, efficiency, and accessibility, we remain deeply committed to preserving the personal connections that define our work.

As we continue this journey of change, your support remains a cornerstone of our mission. Together, we are shaping a future where innovation, family bonding, and a spirit of loving beyond drive every aspect of our work. Let us continue to build a community where individuals and families are empowered to overcome challenges to emerge stronger.

Mr Lee Chee Yong
Chairman
The Salvation Army
Singapore Social Fund Board

MESSAGE FROM THE TERRITORIAL COMMANDER

This 88th year has been one of profound transformation, marked by challenges that tested our resolve and triumphs that affirmed our faith. In the face of adversity, the resilience of our community and the boundless compassion of God have renewed our mission at The Salvation Army. With hearts full of gratitude, we celebrate the impact we have made together, driven by a shared commitment to serve the vulnerable in Singapore.

The Salvation Army is staying relevant to evolving needs such as mental health and resilience in the community. In the last year, the army rendered care and support for vulnerable beneficiaries including migrant workers in Singapore.

Our journey has been guided by an unwavering belief that our vulnerable underserved including our children thrive best within the loving embrace of families. This conviction has shaped our approach, leading us to prioritize family-based care over traditional models. I am pleased to share that this shift has yielded significant results: today, more than twice as many children and youths are in foster care, awaiting reunification with their families, compared to those in residential care.

Over the past 88 years, the Army helped minors under protection orders, juvenile cases or poverty-related cases, and provided residential care. Presently, the Army focuses on the provision of professional help such as counselling and mentoring to reconcile the children and youth with their loved ones. We use an approach that involves prevention, care and reunification.

In the coming year, may we continue to draw strength from each other, guided by the grace of God and the enduring belief that every act of kindness can change a life. With your support, we will keep loving beyond and lift up the vulnerable.

Colonel Hary Haran
Territorial Commander

MESSAGE FROM OUR CHAIRMAN

In the heart of Singapore's charitable landscape, the mission of The Salvation Army goes beyond mere service; it's a testament to the power of love, unity, and partnership. For decades, we have been a beacon of hope for those in need, but our impact extends far beyond the reach of our individual efforts. At the core of our work lies a belief that true transformation happens when we join hands with others—our partners, donors, and supporters—who share our vision of a better world.

The strength of The Salvation Army is not found solely in our programs but in the relationships we cultivate. Collaborations with like-minded organizations, community partners, and passionate individuals allow us to expand our reach, enhance our services, and raise critical awareness for the causes we champion. Through these partnerships, we not only secure essential funding but also amplify our voice in advocating for social change, ensuring that no one is left behind.

Our commitment to serving vulnerable communities, such as seniors and those living with dementia, is made possible through these crucial alliances. With over 300 residents in our nursing home and hundreds more seniors supported within the community, our work stands as a testament to what can be achieved when we pool our resources, expertise, and compassion. Every partnership helps us honour the dignity of each individual, providing them with the care, support, and empowerment they deserve.

Looking ahead, our focus remains on deepening these connections, to inspire both individuals and corporates to Love Beyond. By fostering meaningful collaborations, we can continue to amplify our impact, uplift those in need, and shine a light on the path forward. Together, we are stronger, and together, we will build a brighter future for all.

BIANNUAL SEMINARS: LOVE BEYOND

2023 is a special year for The Salvation Army as we celebrated over 88 years of impactful work in Singapore. As we charted through our history, from our humble beginnings at Clemenceau Avenue to the four different beneficiaries we serve today, we recognise the work and contribution of all the individuals and corporates that had come through our doors including officers, staff, volunteers, donors, and more. Today, we continue to look ahead and adapt to the growing needs of the different sector with a strong focus to digitalise and modernise our outreach to enhance relevancy in the charity sector.

LIFE TRANSFORMED: THE JOURNEY OF HONG LI

Hong Li, a survivor of a gruesome slashing incident along Beach Road, through the psychosocial interventions of the Salvation Army, received the help she needed. The team from the Sojourn Programme had journeyed with her through her ordeal and referred her to partners to ease her financial burdens and provide temporary accommodation. Hong Li now actively volunteers with the Sojourn team to help other migrant workers with the same passion and verve as those who had helped her then.

CHRISTMAS KETTLING 2023

Our annual Christmas Kettling event had achieved a new milestone by raising a total of \$345,000 over the Christmas period. This achievement stands as a testament to the collective spirit of The Salvation Army and its officers, staff, volunteers, performers, and donors. By creating a meaningful impact for the vulnerable, we embody the true spirit of Christmas.

The Salvation Army (TSA) Singapore Headquarters, in collaboration with Prison Support Services (PSS), came together on 27 January 2024 to organise the Rewriting Our Stories (ROSE) event to have an honest conversation about the stigma faced by ex-offenders. The event had strong support with the presence of our guest speakers, Mr Darren Tan, Mr Jason Wong, Ms Audrie Siew, Mr Jabez Koh, and Mr Tan Boon Keng.

We also held Our Defining Moments (ODM) appreciation event in recognising the contribution of our strong volunteer community. The event was organised to recognise the commemorate the passion and work of our volunteers have been pouring into our causes and initiatives over the years.

FINANCIAL YEAR 2024 FUNDRAISING & EDUCATIONAL INITIATIVES

The Salvation Army has continually embraced a bold and diverse approach to fundraising, expanding our methods to reach the hearts and minds of existing and new donors through creative and engaging content on both traditional and digital channels. In FY 2024, we had enhanced our existing and new approaches by aligning with industry best practices to communicate more effectively on our impact about the lives of our beneficiaries.

Our flagship fundraisers include the Red Shield Appeal Event and the beloved Christmas Kettling. Additionally, we launched our new sport fundraising event, our Race For Good to appeal to the increasingly health conscious public with the desire to combine movement and charity.

Beyond traditional fundraising, we focused on creating immersive experiences that deepen connections with our mission. Our Love Beyond seminars, interactive tours, and hands-on volunteer activities provided individuals and corporate partners with the chance to engage our beneficiaries and foster empathy.

Recognising the power of inclusivity and the need to diversify our outreach, we leveraged digital marketing to nurture a wider audience, including the younger generation, inspiring them to rally behind our social causes. Our diversified fundraising calendar served as vital channels that enable the public to better understand our beneficiaries and the work we do.

Each initiative not only raised funds but also built bridges between our community and the vulnerable individuals we serve, making a meaningful difference in their lives and reinforcing our mission across Singapore.

STRENGTHENING OUR ENVIRONMENTAL SUSTAINABILITY

The Salvation Army SMMT is proud to embark on The Green Master Plan, a bold and ambitious journey to achieve net zero emissions by 2030. This initiative aligns with the International Headquarters' Integrated Performance Strategy (IPS) and echoes the green commitments of the Singapore, Malaysia, Myanmar, and Thailand governments. By integrating these eco-focused principles, we aim to become a leader in sustainability across the region, setting a powerful example for others to follow.

Achieving net zero emissions by 2030 is no small feat; it demands significant investment in sustainable practices, renewable energy projects, and eco-friendly innovations. From transitioning to clean energy sources and reducing our carbon footprint to implementing energy-efficient technologies and waste reduction measures, every aspect of our operations will be transformed. This Green Master Plan is more than just a commitment—it's a comprehensive strategy to reimagine how we operate and positively impact the planet.

However, this transformation cannot happen without crucial support. We call on our donors and partners to stand with us in this mission by contributing generously. Your donations will directly fund vital initiatives such as the installation of solar panels, energy-efficient lighting systems, sustainable building materials, and advanced recycling programmes that support our beneficiaries. These investments will not only reduce our environmental impact but also set new benchmarks for environmental stewardship within the non-profit sector.

At the heart of The Salvation Army's work lies the belief in growing stronger together. When we bring people together, inspiring shared goals, and encouraging one another, we create a powerful force for positive change that enables our society to grow stronger and thrive. Through our compassionate and professional approach, we work tirelessly to ensure these young hearts find a nurturing and loving environment, where they can thrive and grow. Together with our foster families, we aim to make a lasting positive impact on the lives of these children, providing them with the love, support, and stability they deserve as we build a brighter future together.

THE KAMPUNG SPIRIT

At Bedok Arena, our mission is to foster a heartfelt kampung spirit within our elderly active ageing centre. It fills our hearts with joy to witness the incredible compassion of active seniors as they selflessly serve and support their less-abled peers, including those living with dementia. Every day, over 40 seniors gather to share fellowship, bond, and engage in enriching activities. This heartwarming sense of community has led to spontaneous acts of kindness, with seniors cooking and sharing meals, nurturing strong bonds. We are dedicated to reaching out to more seniors, encouraging them to partake in our vibrant activities, forging meaningful friendships, and reducing isolation and loneliness at home. Together, let's build an inclusive and caring kampung spirit that makes Bedok Arena a cherished second home.

WHISTLEBLOWING POLICY

The Salvation Army is committed to maintaining a high standard of moral and ethical conduct; and complies with accounting, financial reporting, internal controls, corporate governance, auditing requirements and any relevant legislation. In line with this commitment and our belief in open communication and transparency, the Whistleblowing Policy aims to provide an avenue for employees, volunteers, and external parties to raise concerns and offer reassurance that they will be protected from reprisals or victimisation for whistleblowing in good faith.

VOLUNTEER MANAGEMENT POLICY

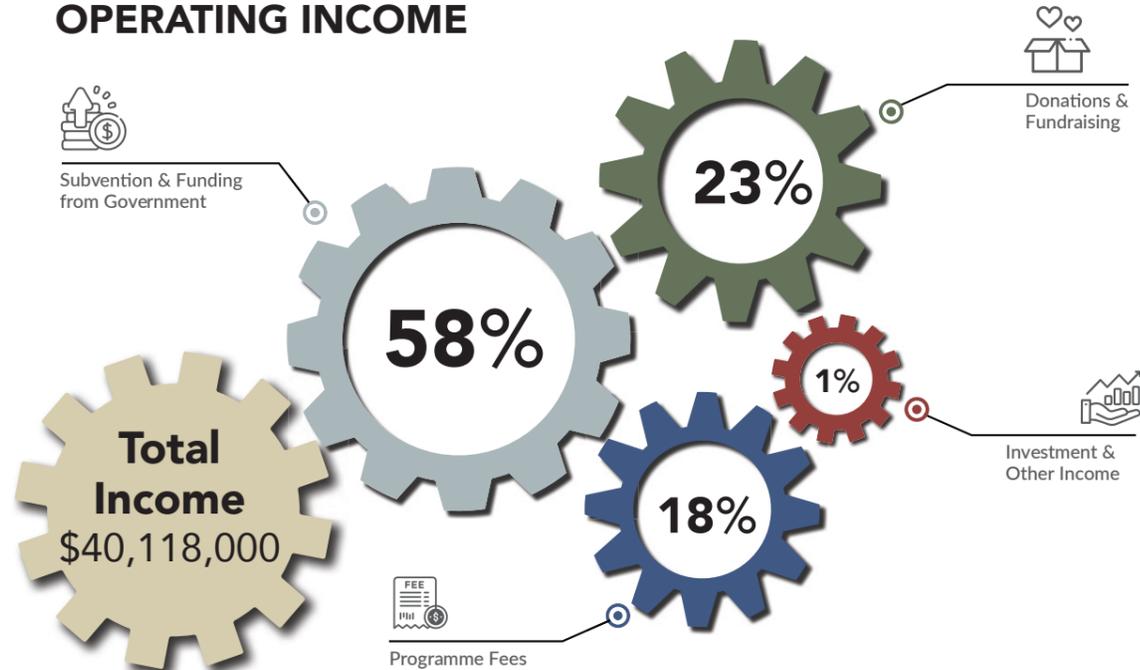

The Volunteer Management Policy aims to cover The Salvation Army's overall approach in the management of volunteers engaged in the Singapore. Volunteer roles should be aligned with the centre's objectives which form a part of The Salvation Army's mission. The Salvation Army strives to match volunteers to roles that meet our centres' and beneficiaries' needs, while taking into consideration the volunteer's skills, knowledge, experience, interests, motivations, and commitment level. Volunteer roles in general should be aligned with the centres/corps/departments' objectives which form a part of The Salvation Army's mission, i.e. address needs of the organization. The policy also covers guidelines about volunteer security screening, volunteers' code of conduct orientation, training, feedback and appreciation of volunteers. In addition, as part of child protection policies, individual volunteers working with children will also receive and sign the 'Code of Conduct for Working with Children'.
